Dear Mr Allaway,

**RE: Lodged writ seeking an injunction to stop the election**

Last Monday 19 August 2013 at 2:00pm I did hand court documents to 'Angela' at your counter. The documents were taken into the inner sanctuary and I was instructed to wait. At 4:30pm I was told by 'Angela' that "it is not going to happen today, the Registrars are reading each page".

It is now seven (7) days later and no contact whatsoever from you in relation to the lodged documents.

The documents do seek an immediate court hearing, seeking an injunction to prevent the Australian Electoral Commission holding a listed public election on 7<sup>th</sup> September 2013.

What **has not been revealed to the electors of Australia** is that the **Crown and Her Majesty Queen Elizabeth the Second and the Statutory Oath/Affirmation of Allegiance has already been removed** from law within Australia.

The voting electorate is unaware of this fact because all referendums that would have needed to have happened to do this were **omitted**.

In criminal law, in particular Treason, the element required is “Breach of Allegiance”. Such criminal offence has occurred amounting to “Misprision of Treason” which is the *concealing of such Treason*.

When I initially lodged documents, there were three (3) respondents

1. Australian Electoral commission
2. Kevin Rudd
3. Tony Abbott

You rejected these documents stating that respondents Rudd and Abbott should be removed and court papers amended. I complied with this and re-lodged on Monday 19<sup>th</sup> August 2013.

The two documents re-lodged with one (1) respondent are:

1. **Originating Application**, consisting of sixteen (16) pages setting out fourteen (14) grounds for cause of action inclusive of the claim for interlocutory relief (the injunction).
2. **The Affidavit** consisting of 22 paragraphs and exhibiting (annexures) 28 exhibits affirmed 15<sup>th</sup> August 2013.

Of the 28 annexures, a few require specific mention:

**BWS 1 to BWS 7** High Court Judges

**BWS 8** Criminal defendants 15 December 2006

**BWS 9; BWS 10; BWS 11; BWS 12; BWS 13; BWS 14; BWS 15; and BWS 16** Relate to R. Hulls, Major General Michael Jeffrey, John Howard, Kim Beasley, Damian Bugg, Paul Coghlan, Ian Gray and Julia Gillard

**BWS 17 and BWS 18** relate to registered correspondence to Kevin Rudd and Tony Abbott on 5 May 2010

**BWS 19** is a copy of the legal notice that went to all Senators of the State of Western Australia during August 2007 (14 pages)

**BWS 20 and BWS 21** Constitutional comment by Quick and Garran

**BWS 22** the law passed by the State of Alabama (USA) banning the United Nations Agenda 21 from Alabama passed ninety-six (96) to zero (0)

**BWS 23** Mr Hawke and Israel

**BWS 24** Human trafficking in Australia. Deals with and exposes the converting of Birth and Citizen Certificates into “Bonds” and trading such bonds on world stock exchanges without the knowledge nor consent of the Australian named on the Original certificates

**BWS 25** Julia Gillard’s Grand Jury Application lodged 29 January 2007 but concealed by officers of the Supreme Court of Victoria

**BWS 26** the West Australian Act of Treason exhibits only Part 8 of such Act, but reveals the facts as stated and set out in the Originating Application

**BWS 27** The Masonic promise of Allegiance to the Supreme Grand Council in London. Such Allegiance is to a foreign power and is in constitutional and criminal breach of the laws of Australia

**BWS 28** The statutory penalty for the criminal offence of Treason and the concealing of such Treason

I state that:

“The Crown Monarch and Oath of Allegiance was removed **without** referendum consent or knowledge and substituted”

**But:**

The first respondent now seeks the mandate of the electorate **without** disclosing the real facts and **your court is now contributing to this concealment** by holding up the writ.

Now the following individuals and/or corporations have **knowledge** of the lodged Federal court documents, but over a number of years **have concealed the true facts**.

1. **All Pastors and Priests** connected to **Wyndham Ministries Network** in Werribee Victoria, in particular four (4) men – Graham Laidlaw, Mark Wilkinson, Graham Harris and Malcolm McCloud but not limited to these Four or their networks.
2. All current and past **Councillors of the Shire of Wyndham** (Werribee) since 2010 up to and inclusive of the present date.
3. All current **Councillors and CEO of the Melton City Council**
4. The **Victorian Electoral Commission** in particular **Glenda Frazer and the Commissioner**.
5. All **Victorian Senators** – Both current and seeking nomination selection
6. All **High Court judges since 2004** up to and inclusive of the present date
7. All **Attorney Generals since 2004** up to and inclusive of present date with the exception of Mark Dreyfus, signatory to the Commonwealth election writs.
8. **Kevin Rudd and Tony Abbott**

9. **Clive Palmer and the Independents** from the former Parliament
10. **Daniel Nalliah and his corporate structures.**
11. **Victoria Police**
12. **Commonwealth Public Prosecutors**
13. **Victorian Public Prosecutors**

I state the following:

The Respondent and the Divisional Returning Officers **in agreement** with the Respondent are **attempting to conceal from the electorate** the fact that the Respondent is attempting to hold an election to form a government, but, not revealing to the electors forming such government that extensive **fraud has taken place.**

#### **The House of Representatives Writ**

The writ is issued in accordance with Section 32 of the Constitution of the Commonwealth of Australia and carries the signatures of the Commissioner for the Australian Electoral Commission, plus Quentin Bryce and Mark Dreyfus, but conceals the real facts from the voting electorate, in particular that Federation has been fractured.

#### **The Senators Writ**

The writ is issued in accordance with **Section 12** of the Constitution of the Commonwealth of Australia by each State Governor, but, **conceals the real facts from the voting electorate, particularly in Victoria in relation to Alex Chernov.**

#### **Alex Chernov**

The current Governor of the State of Victoria is Alex Chernov. Alex Chernov was a judge of the Supreme Court of Victoria. He was one of the five judges presiding over a Grand Jury Application against Freemasonry Victoria in October 2001. Alex Chernov is a pending Grand Jury defendant in accordance with Section 354 Crimes Act 1958 Victoria for a criminal breach of Section 34 (4) Crimes act 1914 Commonwealth, but, Alex Chernov has been promoted to Governor and has issued the writ for the Senators of Victoria in that capacity **without disclosing** any of the real facts to the **electorate or Senators of Victoria.**

Mr Allaway, I request that you give this matter your urgent attention and I look forward to your considered response.

For now,

BRIAN W. SHAW
