

# The Fraudulent Election

---

To better understand why this article is termed The Fraudulent Election the structure and existence of the City of London must be introduced into the issue

The City of London Corporation is a Masonic, Private, Independent, Sovereign State occupying approximately one square mile within the heart of the Greater London area inside the old Roman Walls of London

The commercial hub emanates from Guildhall the house of guilds or in today's structure *Speculative Freemasonry* operating through the *House of the Temple*

The entrance point between the outer and inner City of London is at Temple Bar in Fleet Street London, or in simple terms "*The Bar of the Temple*"

From this hub all Law and Finance is controlled and run, through what is called "*The Corporation*" or "*The Firm*"

The Constitution of the Commonwealth of Australia is a Constitution granted to the people of Australia to give *the illusion of Self Government*, but, at all times the Corporation of the City of London controls and manipulates the Constitution via the Lawyers, Judges and Courts within the Commonwealth of Australia

The most recent Commonwealth election was a *Corporation election*; at no time was it a *Constitutional election*

The principal reason for saying this is in the fact that in the period 2003/2004 the State of Western Australia removed the Constitutional Monarch Queen Elizabeth the Second from Law within Western Australia by the enactment on 1<sup>st</sup> January 2004 of the Overt Act titled "*Acts Amendment and Repeal Courts and Legal Practice Act 2003 (WA)*", in particular Parts 5 & 8 of such Act

*The Constitutional effect of such Act meant that the State of Western Australia could not vote nor participate in a Commonwealth election under the Crown after the removal of the Crown*

The State of Western Australia did participate in the voting process, but, at no time was the actual truth revealed to the voting electorate in either Western Australia or the Commonwealth

*This is the Fraud of the Election*

Western Australia was permitted to vote, because the election was held “*Under the Corporation*” not “*Under the Constitution*”

All Supreme Courts inclusive of the High Court of Australia are under “*The City of London Orders*” to ensure that the transition *from the Constitution into the Corporation* occurs without any legal hindrance to the *fraudulent agenda*

Under the Corporation structure the actual Chattels of the Corporation are the *People and resources of Australia*

Under a correct and valid Constitution the people can control and monitor Government Fraud

When uncovering the Corporation of the City of London the following entities come into the discovery

1. International Freemasonry
2. International Socialism
3. Fabian Socialism
4. The Bank of England
5. The European Union
6. The United Nations

The undeclared international agenda is to turn Commonwealth Countries into Republics chartered to the United Nations under Socialism and Secularism

Over a large number of years England has moved from Roman law to Protestantism to Socialism and as such Almighty God is excluded in Socialism and Secularism

When Western Australia removed the Crown, they excluded Almighty God and embraced both Socialism and Secularism and at the same time aborted the Constitution

of the Commonwealth of Australia and traded themselves into the secret world of the Corporation of the City of London

*In simple terms they trapped themselves in a very well laid trap*

By voting in a fraudulent election they *traded their Souls* from a Constitutional Protection into a Corporation Deception in simple terms "*Self Imploded*"

The President of the Liberal party of Western Australia is Barry Court, son of Sir Charles Court former Premier, in 1978 Sir Charles Court revamped Section 73 of the Western Australia Constitution to block or prevent a Labor Party attempt to gain a Socialist Republic by stealth

### **Western Australia Constitution**

#### **Section 73.2(g)**

(2) A Bill that —

(g) the Bill has also prior to such presentation *been approved by the electors* in accordance with this section, and a Bill assented to consequent upon its presentation *in contravention* of this subsection *shall be of no effect as an Act*.

This section sending certain Bills to State referendum debate and consent was not abided by for The Australia Act Request Act 1984/1985, The Australia Act 1986 nor the "*Acts Amendment and Repeal Courts and Legal Practice Act 2003 (WA)*",

Western Australia has broken the law of their own Constitution and the law of the Constitution of the Commonwealth of Australia and as such all Political Parties have broken the law to transfer all Australians into "*The Corporation*"

This is the reason for the header of this article "*The Fraudulent Election*"
