Mr David Priddle
Deputy District Registrar
Federal Court of Australia
305 William Street
Melbourne Vic 3000

27th August 2013

Dear Mr Priddle,

I am now in receipt of your correspondence to myself in relation to what Justice Jessup has purportedly stated. I say "purportedly" because you did not enclose any order.

On the afternoon of 27th August 2013 the documents plus your letter were handed to two officers of the Federal Police at Melbourne.

For now,

BRIAN W. SHAW
