Dear Mr Dreyfus,

Your name and signature appears on the writ for the House of Representatives for the State of Victoria and the writ for the House of Representatives and Senators to represent the Australian Capital Territory and the Northern Territory.

Your writs are not valid constitutional writs.

The details are set out in the originating application that the Federal Court is currently blocking, such application seeks an injunction to prevent the unconstitutional Election, details at page 27 of the Originating Application.

The discovered fact is the Crown has been removed without the statutory Constitutional Referendums.

You need to stop this fraud on the electorate before the listed date of Saturday 7th September 2013.

For now,

Brian Shaw
